

We know that many Ahmadis around the country are grappling with serious legal questions, such as how to apply for unemployment insurance, what benefits they may be entitled to under new federal legislation, whether they can defer payments or rent, and what will happen to their pending immigration/asylum cases.

AMLA USA is here to help. Any AhmadiMuslim with a legal question can go online and fill out a simple form, available here:

An Ahmadi Muslim lawyer will respond to each inquiry received. While not every request may be fully resolved, our team will endeavor to assist as best as possible.
