My dear sisters

Assalamoaleikum wa Rahmatullahe wa Barakatohoo

Alhamdulillah, Regional Youth Camp turned out to be a very special opportunity not only for youth but also for everyone who was involved helping out in variety of ways.

By the Grace & Mercy of Allah all Items on Agenda for Friday, Saturday & Sunday were completed making an effort to understand "How can we truly follow Allah's Commandments".

Jazak Allah to all youth for preparing & presenting assigned activities & grown ups to help them prepare. I'm very thankful to Allah for blessing all participants to be fully engaged, especially during Hazoor's concluding address to Jalsa Germany. I encourage all sadr's to keep discussion going about Hazoor's advice. Special interest in Q/A is very encouraging, we were able to learn & have a lot of fun.

Gardening around the mosque, Khidmate Khalaq field trip to Round Rock Serving Centre, Breakfast on lake Travis, CPR/ Personal safety, Home spa( Facial,Manicure, Pedicure, Mahndi), Handi craft project (Modest transformation of clothes we wear),variety of games before going to bed were all very special.

Darsul Quran/Hadith & youth leading pledge &.prayers gave hope for the future. Slide show of activities was a treat in itself. Participants' comments in events book are very heartwarming. Subhan Allah

I sincerely appreciate efforts of all sadrs, Jazak Allah to all mothers. All youth coordinators played an important role in organisation of program. Masha Allah Let's keep youth engaged, their talents & abilities are treasure for us.May Allah bless us all to use God given faculties to serve His cause the very best.Ameen We will have youth oriented activities as part of our regional Ijtima, Insha Allah
